EDDIE SMALL TABLE

Design R&D Frigerio

Elegante e dalle proporzioni calibrate, il tavolino Eddie è stato concepito per abbinarsi perfettamente al divano della stessa famiglia, in continuità con le sue linee orizzontali. Il tavolino per soggiorno Eddie è configurabile come elemento terminale con un doppio piano d'appoggio con scaffali libreria laterali. Segni sottili che disegnano spazi aperti come contrappunti ai volumi generosi del divano a cui si ispira. Il tavolino Eddie, in legno di frassino e colori laccati lucido, può essere utilizzato anche fronte divano come elemento in libero posizionamento.

Elegant and with balanced proportions, the Eddie small table is designed to match perfectly with the sofa of the same family, in continuity with its horizontal lines. The living room coffee table Eddie is set up as a double-top end element with side bookcase shelves compartments. Subtle signs that draw open spaces as counterpoints to the generous volumes of the sofa by which it is inspired. The Eddie small table table, in ash wood and glossy lacquer colors, can also be used as free-standing element in the middle of the room.

Struttura: impiallacciato frassino color Tabacco, color Wengé, color Greige, color Sabbia o color Liquirizia, oppure laccato lucido.

Structure: veneered ashwood colour Tobacco, colour Wengé, colour Greige, colour Sand or colour Liquorice; or lacquered glossy colour.
