TAYLOR JUNIOR ARMCHAIR

Design R&D Frigerio

Cubo soffice dal forte carattere contemporaneo, la poltrona Taylor Junior si distingue per il rigore delle forme compatte addolcito dalla morbidezza della piuma d’oca scelta per il cuscino di seduta. Dall’eleganza misurata, con leggero ma solido basamento in metallo verniciato, ha struttura di seduta in legno con imbottitura in poliuretano mentre i braccioli, sempre in legno imbottito, sono rivestiti in piuma d’oca per conferire maggiore morbidezza. Rivestimento in piuma anche per lo schienale in legno e metallo con imbottitura in poliuretano. Le soffici imbottiture contribuiscono a definirne la personalità vissuta che si accentua con il tempo.

Soft cube with a strong contemporary character, the armchair Taylor Junior features compact rigorous shapes which are mitigated by the softness of the goose down filling for the seat cushion. Balanced elegance, with a light yet sturdy base in metal painted black chrome effect, it has a seat structure in wood padded in polyurethane, while the armrests, always in solid wood padded, are covered in goose down to provide more softness. The wooden and metal back is also padded with polyurethane and covered in goose down. The soft padding helps to define a lived personality which will be more evident in time with the use.
